Program: BIO 585: Dinosaurs & National Parks

This Agreement must be signed and returned to the Department of Biology, Science Building Room 103. Failure to accept and/or abide by the terms and conditions of this Agreement as provided may result in the Participant’s inability to participate in the Program or in dismissal from the Program.

I, ______________________, have agreed to be a Participant in the Adelphi BIO 585: Dinosaurs & National Parks (the Program) approved by Adelphi University. I am not required to participate in the Program; my participation in the Program is wholly voluntary. In consideration of being allowed to participate in the Program, I hereby state and agree to the following:

1. Standards of Conduct

A. I was provided access to and agree to abide by Adelphi’s Code of Conduct and the Course Syllabus by the program provider regulations, and by the directions of the Program Director and his or her designees. I understand that the Program Director and his/her representative have the right to enforce appropriate standards of behavior and that I may be dismissed from the Program at any time for failure to comply with such standards. Adelphi reserves the right to decline, to accept, or retain me on the Program at any time should my actions or general behavior impede the operation of the Program or the rights or welfare of any person, including but not limited to my own welfare. Similarly, if my conduct violates any Adelphi policy or procedure, I understand that I may be required to leave the Program at the sole discretion of Adelphi’s agents and representatives, and may be referred to the appropriate Adelphi officials or law enforcement agent for further disciplinary or other action. I understand that if my participation in the Program is terminated I will be sent home with no refund of fees. If I am sent home before completion of the Program, I understand that I will be responsible for any and all costs and expenses associated with my return home. In addition, I will forfeit all credits and rights of further participation in the Program.

Initial __________ (over)
B. Adelphi assumes no responsibility for, nor does exercise any control over, actions of any family members, visitors, or others who accompany or join an Adelphi enrolled student, volunteer, faculty member or other Adelphi employee (Participant) while such Participant is involved in the Program in any way, whether such visitor is also an Adelphi employee or student even though not a Participant, including but not limited to travel, housing, or other activities.

C. I understand that the state of Wyoming and Montana has its own laws and standards of acceptable conduct, including dress, manners, morals, politics, drug use, and behavior. I recognize that behavior which violates those laws or standards could harm my own health and safety and Adelphi’s relations with those governments, countries, and/or foreign institutions. I will conduct myself with awareness that standards in the particular setting may be markedly different from standards to which I am accustomed. I will take appropriate steps to familiarize myself with standards and customs as necessary so I act to reflect well on myself and Adelphi during the course of my travels related to the Program.

D. I understand that, the possession, use of or association with illegal drugs or public drunkenness may subject me to severe legal penalties; I understand that any student possessing, using or associated with illegal drugs will be immediately dismissed from the Program. If I disagree with this decision, I may address it in the proper forum once I return to the Adelphi campus or point of origin.

E. I acknowledge and understand that, while I am a Participant, I am responsible for my own behavior and any legal or financial consequences as I would be in my home state.

F. I understand that I am agreeing to enter a wilderness setting, engage in extended backcountry hiking and camping on uneven, unpaved, and unstable terrain. I understand that this will require me to pack personal possessions including a tent, sleeping bag, and clothing, when necessary, and that specific actions on my part will be required as instructed to reduce risk and prevent unwanted encounters with wildlife.

2. Institutional Arrangement

I understand that Adelphi does not represent or act as an agent for, and cannot control the acts or omissions of, any host institution, host family, transportation carrier, hotel, tour organizer, or other provider of goods or services involved in the Program. I understand that Adelphi is not responsible for matters that are beyond its control. I hereby release Adelphi from any injury, loss, damage, accident, delay, or expense arising out of any such matters.

Initial __________ (over)
3. Program Changes

I understand that Adelphi reserves the right to make cancellations, substitutions or changes to the Program in its sole discretion, with or without notice, and Adelphi shall not be liable for any loss to Participants by reason of any such cancellation or change. Adelphi is not responsible for penalties assessed by air carriers that may result due to operational and/or itinerary changes, regardless of whether the Participant or Adelphi makes a flight arrangement. Any additional expense resulting from the above will be paid by the Participant. Adelphi reserves the right to substitute hotels or accommodations or housing of a similar category at any time. If I become detached from the Program group, fail to meet a departure vehicle, airplane, boat, or train, or become sick or injured, I will at my own expense seek out, contact, and reach the Program group at its next available destination.

4. Independent Activity

I understand that, if I choose to travel independently before, during or after my time in the Program, such travel will be unsupervised by Adelphi’s agents or employees. I agree that Adelphi and its agents and employees shall have no responsibility or liability for injury, damage or loss suffered by me during such periods of independent travel. This includes circumstances wherein, I choose to volunteer with the Program, its directors, or other investigators to continue working on the Program research agenda following the completion of the academic Program.

5. Health and Safety

A. I will provide Adelphi with proof of medical insurance coverage for the period I will be in Wyoming and Montana, and if I do not have medical insurance, I will purchase a policy that covers such coverage for the duration of the Adelphi study in Wyoming and Montana program. I agree that this policy will provide coverage for injuries and illnesses I sustain or experience while in Wyoming and Montana, and, more specifically in the areas in which I will be living and/or traveling while on the Program; and I release and absolve Adelphi of all responsibility and liability for any injuries, illnesses (including death), claims, damages, charges, bills and/or expenses I may incur while in Wyoming and Montana, including periods before, during, and after the duration of the Program.

Initial __________ (over)
B. I agree that Adelphi, through its agents and employees, may take whatever action is deemed necessary with respect to my health and safety; I authorize Adelphi and its agents and employees to place me, at their discretion and without my further consent, in a hospital or in the care of a local doctor for medical services and treatment. If necessary or desirable, I also authorize them to transport me back to the Cody, Wyoming or Billings, Montana airports or to my home city for medical treatment. I agree that I, along with my parents or guardian, will be fully responsible for any and all expenses, including transportation costs, associated with or in any way related to my medical care.

C. I agree to report to the Program Director or Office of Sponsored Projects; as soon as I become aware of such, any physical or mental condition, I have which may require special medical attention or accommodation while in Wyoming and Montana. I understand that Adelphi may not be able to provide accommodations in Wyoming and Montana even if it could do so on campus, and that all requests for accommodations must be timely, initiated by me and processed according to the applicable policy.

D. I am aware of all applicable personal medical needs. I have arranged, through insurance or otherwise, to meet any and all needs for payment of medical costs while I participate in the Program. I recognize that Adelphi is not obligated to attend to any of my medical or medication needs, and I assume all risk and responsibility therefore. If I require medical treatment or hospital care, in a foreign country or in the United States before, during or after the Program, Adelphi is not responsible for the cost or quality of such treatment or care.

6. Assumption of Risk and Release of Claims

A. I hereby acknowledge my awareness that my participation in the Program may expose me to risk of property damage and bodily or personal injury, including death. I understand that the risks I may encounter include by way of example: airplane crashes, motor vehicle accidents, animal encounters, hypothermia, inclement weather, cuts, bruises, broken bones, sickness, and criminal acts as well as other risks that may or may not be foreseeable. I also understand that the Program may be physically challenging and will include strenuous hiking for recreation and/or as necessity and that I am willing and able to participate in such activities. I hereby assume any and all such risks, and I acknowledge that I am responsible to act reasonably and prudently with respect to matters of personal health and safety. I understand and acknowledge that Adelphi assumes no responsibility or liability, in whole or in part, for any delays, delayed or changed departure or arrival times, fare changes,dishonors of hotel, airline or vehicle rental reservations, missed carrier connections, sickness, disease, injuries

Initial ___________ (over)
(including death), losses, damages, weather, strikes, acts of God, circumstances beyond the control of Adelphi, quarantine, public health risks, criminal activity, terrorism, expense, inconveniences, cessation of operations, mechanical defects, failure or negligence of any nature howsoever caused in connection with any accommodations, restaurant, transportation, or other service or for any substitute of hotels, hostels, campgrounds or of common carrier or other circumstances beyond Adelphi’s control, with or without notice, or for any additional expenses occasioned by any of the foregoing. If due to weather, flight schedules or other uncontrollable factors I am required to spend additional nights, Adelphi will not be responsible for my hotel transfers, meal costs or other expenses. My baggage and personal property is at my risk entirely. The right is reserved by Adelphi, in its sole discretion, to cancel the Program or any aspect thereof after departure, requiring that all Participants return to their point of origin, if Adelphi determines or believes that any person is or will be in danger if the Program or any aspect thereof is continued. Knowing the risks described above, and in consideration of Adelphi’s arranging for my participation in the Program, individually and on behalf of any family, heirs, assigns, and personal representative(s), to the maximum extent permitted by law, I hereby assume these risks and release, waive, and forever discharge Adelphi, the Board of Trustees of Adelphi University, their members individually, and their officers, trustees, agents and employees (the “Releasees”) from liability for any and all harm, injury, claims, demands, rights, causes of action, costs, and expenses of whatever kind, arising from or by reason of any loss, damage, or injury sustained by me or caused to my property, or the consequences hereof resulting from or in any way connected with my participation in the Program.

B. This Agreement shall be construed in accordance with the laws of the State of New York, which shall be the forum for any lawsuits filed against any of the Releasees incident to this Agreement or the Program. The terms of this Agreement shall be severable, such that if a court holds any term to be illegal, unenforceable, or in conflict with any law governing this Agreement; the validity of the remaining portions shall not be affected thereby.
